Operation Bangladesh  
Expands to Thailand

U.S.-Based Philanthropist  
Morad Shaker Expands  
"Operation Bangladesh"  
Humanitarian Access to  
Thailand

# AI Performance BETA

AI indexation is the foundation of AI visibility. Track your release's indexation across major AI platforms.

|                                                                                     |                             |                                       |
|-------------------------------------------------------------------------------------|-----------------------------|---------------------------------------|
|    | Google AI Overview (Gemini) | <a href="#">Check Visibility &gt;</a> |
|   | ChatGPT                     | <a href="#">Check Visibility &gt;</a> |
|  | Perplexity                  | <a href="#">Check Visibility &gt;</a> |
|  | Claude                      | <a href="#">Check Visibility &gt;</a> |

\* AI citations and answers are prompt-dependent; indexation is a prerequisite, not a ranking guarantee.

\* Not all AI responses will be affirmative; if a response contains information from a press release, it is considered discoverable.

## News Archive / News Aggregator / Business & Financial Portal Dissemination\*

\* Pick up depends on the nature of the news & company. Eg. Public companies are more likely to receive pick up.

\* Not an exhaustive list. Check next page for a more comprehensive publication list.

| Media Endpoint                                                                      | Publication Link                                                                                                                                                                                                                                                                                                                          | Potential Views / M | Rating (DR) | Top Countries | Main Age Grp |

# Like What You See? Here’s What Next.

## Feature Your Press Release

Congratulations! You’ve released an important update for your company.

This is the best opportunity to share the news with your friends and, even better, feature it on your website!

Tell your customers that your **brand can now be seen** on Media X, Y, and Z!

## Upgrade Your Press Release

If you’re not already sending to our best distribution circuit, there’s a good chance your press release can reach even more prestigious media outlets.

If this interest you, contact us to **upgrade your release** and maximize the reach and effectiveness of your announcement!

## Send Your Next Release

Two is better than one.  
Always is better than once.

Why stop at one update when your customers can learn so much more about your company?

**Send your next release** and stay at the forefront of your customers’ mind.

Need help with any of the above?

Contact us and we will get back to your swiftly.
